Disappear

Bebo Norman

On a day like this
I want to crawl beneath a rock
A million miles from the world
The noise, the commotion
That never seems to stopAnd on a day like this
I want to run away from the routine
Run away from the daily grind
That can suck the life, right out of me
I only know one place I can run toI want to hide in You
The way, the life, the truth so I can disappear
And love is all there is to see coming out of me
And You become clear as I disappearI dont want to care about earthly things
Be caught up in all the lies that trick my eyes
They say its all about me
Im so tired of it being about meI want to hide in You
The way, the life, the truth and I can disappear
And love is all there is to see coming out of me
And You become clear as I disappearI would rather be cast away
Separated from the human race
If I dont bring You glory
If I dont bring You glory
If I dont bring You glory'Cause I want to hide in You
The way, the life, the truth and I can disappear
And love is all there is to see coming out of me
And You become clear as I disappear
