

# Shout It Out

## Mikal Cronin

I learned a little bit a long, long time ago  
Just from a friend I used to know  
About how love can end so slow  
I won't admit it, but my time is running low  
I'm getting closer to the door  
It's pretty late, I need to goDo I shout it out, do I let it go?  
Do I need to know what I'm waiting for?  
Oh no, I want it now, do I need it now?  
Shit goes on and on and on and on and onI'm pretty good at making things out of the scene  
And turning problems back to me  
It's not the way I want to be  
But I've been thinking about the time you came around  
You took my head up off the ground  
Now that's a place I want to beDo I shout it out, do I let it go?  
Do I need to know what I'm waiting for?  
Oh no, I want it now, do I need it now?  
Shit goes on and on and on and on and on
