

# The Emergency

**BT & Andrew Bayer**

Emergency has passedI watch you in the candlelight  
My head is in your hands  
The neon lights have all gone down  
We make our future plansI wanted things to get better  
I was in pain  
I wanted you to be in my lifelineI wanted love to get better  
I'd wait in line  
For something I knew that I would get to keepYour "I love you"  
Your "I love you"  
Your "I love you"  
And I can feel it bleedingYour "I love you"  
Your "I love you"  
Today is the day  
That I love youYour "I love you"  
Your "I love you"  
Your "I love you"  
And I can feel it bleedingYour "I love you"  
Your "I love you"  
Today is the day  
That I love youThe flashing lights have gone away  
Emergency has passed  
The future's right in front of me  
And I won't finish lastToday is the day  
That I love you  
Today is the day  
That I love youYour "I love you"  
Your "I love you"  
Your "I love you"  
And I can feel it bleedingYour "I love you"  
Your "I love you"  
Today is the day  
That I love youYour "I love you"  
Your "I love you"  
Your "I love you"  
And I can feel it bleeding  
Your "I love you"
