Sorrow

Box Car Racer

Advisory - the following lyrics contain explicit language:

Because I need you more
Than you need me because I want you more I know
Because we moved too fucking fast
I think I really had to wish to make this last I knowChorus
I'm sorry please forgive me
believe me if you wouldBecause I cared way more
Because I felt that you felt so much more I know
(Chorus X2)I'm sorry please forgive me
believe me if you would
I'm sorry please forgive me
believe me if you could
Believe me if you could
