

# military madness (320 kbps)

Graham Nash

In an upstairs room in Blackpool  
By the side of a northern sea  
The army had my father  
And my mother was having me  
Military Madness was killing my country  
Solitary Sadness comes over me  
After the school was over and I moved  
To the other side  
I found a different country but I never  
Lost my pride  
Military Madness was killing the country  
Solitary sadness creeps over me  
And after the wars are over  
And the body count is finally filed  
I hope that The Man discovers  
What's driving the people wild
