# Slow Walk

## Hurray for the Riff Raff

Oh never mind that
I'm gonna go downtown
I've got a 2 dollar bill
And a girl who hangs aroundWell it's a slow walk
Oh it's a slow walk
Oh it's a slow walk
From the bottom to the topNow my old man says
I ain't been the same
Since the bad I'm feeling
Got into my brainWell it's a slow walk
It's a slow walk
Oh it's a slow walk
From the bottom to the topYou stick the needle in your arm
And your baby starts crying
You stick the needle in your arm
Well there ain't no denying
That it's a slow walk
It's a slow walk
Oh it's a slow walk
From the bottom to the topNow I ain't as bright
As the sun when it shines
When you say you forgive me
Start to believe
That it's a lie
It's a lie
Oh it's a lieOh but never mind that
I'm gonna go downtown
I've got a 2 dollar bill
And a girl that hangs aroundWell it's a slow walk
It's a slow walk
Oh it's a slow walk
From the bottom to the top
