

# Hate to Love

## Shania Twain

Midnight sky shining on my face

I feel the waves embracing me

I'm here to find some peace of mind

Time and tide it waits for me, it waits for me, yeahSo here I am again somewhere in between, hate to love

Trying to find reality in a dream, hate to love

I'm afraid to say I need someone like you, hate to love

Oh, hate to loveFaded photograph, a picture perfect love

Locked inside this frame of mine

Forgiving truth is the trust betrayed

If time heals all that left me behind, it left me behindSo here I am again somewhere in between, hate to love

Trying to find reality in a dream, hate to love

I'm afraid to say I need someone like you, hate to love

Oh, hate to loveLoneliness and innocence

With you invade my heart

I've learned to hate the truth of love

It's tearing me apartSo here I am again somewhere in between, hate to love

Trying to find reality in a dream, hate to love

I'm afraid to say I need someone like you, hate to love

Oh, hate to love

So here I am again somewhere in between, hate to love

Trying to find reality
