

Lonely Days

Bee Gees

Good morning, mister sunshine, you brighten up my day

Come sit beside me in your way

I see you every morning outside the restaurants

The music plays so nonchalant Lonely days, lonely nights, where would I be without my woman?

Lonely days, lonely nights, where would I be without my woman?

Lonely days, lonely nights, where would I be without my woman?

Lonely days, lonely nights, where would I be without my woman?

Lonely days, lonely nights, where would I be without my woman? Good morning, mister sunshine, you brighten
up my day

Come sit beside me in your way Lonely days, lonely nights, where would I be without my woman?

Lonely days, lonely nights, where would I be without my woman?

Lonely days, lonely nights, where would I be without my woman?

Lonely days, lonely nights, where would I be without my woman?

Yeah, yeah, yeah, yeah, lonely days, lonely nights
