

Diamonds (feat. Herb Albert)

Janet Jackson

You tell me you love me
You tell me you care
But when I'm around you
It's like I'm not there I need a reminder
Something you can see
Something on my finger
Shining so brightly Don't you know
Diamonds are a
Girl's best friend
When you go, they stay
With me until the end Don't you know
Diamonds are a girl's
Best, best friend
When you go, they stay
With me until the end [Chorus: x2]
Don't want your money
Don't want your key
Diamonds
Love don't come for free You sent me some roses
But roses do die
You gave me some candy
It melted, nice try I'm not that demanding
I have simple taste
I just want a token
That can't go to waste
Diamonds [Chorus: x2] Don't you know
Diamonds are a
Girl's best friend
When you go, they stay
With me until the end Don't you know
Diamonds are a girl's
Best, best friend
When you go, they stay
With me until the end [Chorus: x2]
