

# In A Glass House

## Gentle Giant

Looking through the window can you tell me what you see  
You're sure you're really seeing what is meant to be a glass  
A mirror to reflect what I conspire a vision, image I desire  
Standing on the ice believing all I'm searching for  
Close your cloudy eyes and chase all that you did before  
Standing on the ice believing all I'm searching for  
Close your cloudy eyes and chase all that you did before  
Living in a glass house shielding all that's meant for me  
Can you clear the shade and can you tell me what you see?  
Shadow fills the light until the glass house becomes  
the night  
Dark is gleaming or am I dreaming?  
Running everywhere, seeing clearly when I dare  
Is it today or is it your way and the moon must fall  
Inspiration waits for your call for you to get a silhouette  
Narrow the field aim in any direction  
Do what I feel just to see my reflection  
Any turn I know disappearing everywhere I go  
I look to you for what I do  
And only then I see that the glass house is just for me  
And any time is never mine  
Narrow the field aim in any direction  
Do what I feel just to see my reflection  
Shadow fills the light, until the glass house becomes night  
Dark is gleaming or am I dreaming?  
Running everywhere, seeing clearly when I dare  
Is it today or is it your way and the moon must fall  
Inspiration waits for your call for you to get a silhouette.
