Lapdance

John Popper

Take me
Buck and sway like that
Please take me alongGo on and break me
The way you bump and sway
It won't take longDig in and grind me
In the sugared sand
For one more songClench and sigh
Put me through
To the very brink'Til I want to die
Don't wanna ache
Don't wanna thinkI breathe you in
Like perfumed smoke
Of silk and pinkCigarette ashes
Thrust to thrust
Move with me
Until you mustCigarette ashes
Thrust to thrust
Move with me
Until you mustCigarette ashes
Thrust to thrust
Move with me
Until you mustCigarette ashes
Thrust to thrust
Move with me
Until you mustTake me
Buck and sway like that
Please take me alongGo on and break me
The way you bump and sway
It won't take longDig in and grind me
In the sugared sand
For one more songTake me
Move with me
Until you must
