The Right Thing

Alphabeat

I can't stand the way it is
I can do nothing
I can see the signs, baby
If this is not the right thing,
The right thing, why do we stay, baby
If this is not the right thing,
The right thing, why do we stay, baby
I never meant to let you down
But I'm giving it up,
And you don't understand,
But I never ever meant to let you down,
I'm giving it up
I'm giving it up
I got to make my way without you
I got to do something
I got to make my way, baby
If this is not the right thing,
The right thing, why do we stay, baby
If this is not the right thing,
The right thing, why do we stay, baby
I never meant to let you down
But I'm giving it up,
And you don't understand,

But I never ever meant to let you down,
I'm giving it up
I'm giving it up
Why you're still ..
Why you're still ..
Why you're still, in my house
Why you're still ..
Why you're still ..
Why you're still, in my house
Why you're still ..
Why you're still, in my house
Why you're still ..
If this is not the right thing,
This is not the right thing, why do we stay, baby
If this is not the right thing,

This is not the right thing, why do we stay, baby
I never meant to let you down
But I'm giving it up,
And you don't understand,
But I never ever meant to let you down,
I'm giving it up
I'm giving it up
(What About Now)
(What About Now)
