Beat Dun Drop

Machines Don't Care

Angel on the street
With my headphones on
Going to wherever I'm goingNow I'm on my way
Can't nobody stop me
From getting to my destinationJammin' in the club with my ravehead on
I'm alone with the music, I'm flowing
Lost in the lights, shadows darken my view
I don't mind, oh
We gon keep it going til the beat don't drop
Til the beat don't drop
And we never gon stopWe gon keep it going til the beat don't drop
Til the beat don't drop
You don't know what we gotWe gon keep it going til the beat don't drop
Til the beat don't drop
And we never gon stopWe don't give a damn about what you sayJammin' in the club with my ravehead on
I'm alone with the music, I'm flowing
Lost in the lights, shadows darken my view
I don't mind, ohWe gon keep it going til the beat don't drop
Til the beat don't drop
And we never gon stop
We gon keep it going til the beat don't drop
Til the beat don't drop
You don't know what we gotWe don't give a damn about what you sayWe gon keep it going...
