A Praise to Madness

Acrania

Are you asking me how I've gone mad?
Haha, it's just a matter of feeling aliveAnd destroying the fears you have sown
Of destroying this old way you hate and you love
Rearrange your thoughts of what's wrong and what's right
Dignify your way of living and your fightTonight, inside my hell
I will take revenge
Against all those that try to make me fail
Beware the average man
Beware their healthAnd rise against those who try to enslave their ownAnd be proudLife fades but ideas prevailLong live bela bartok... Â¡por siempre!
Long live simÃ³n bolÃ-var... Â¡por siempre!
Long live charles bukowski... Â¡por siempre!
Long live gibran khalil... Â¡por siempre!
Erasmus roterodamus... Â¡por siempre!
Long live sacco and vanzetti... Â¡por siempre!
Live frank zappa... Â¡por siempre!
Vive tito puente... Â¡por siempre!
And I have found freedom in my madness
Because who comprehend us
Enslaves something from us...
And we won't stopQue no, que no, que no
