

Invasion

Iron Maiden

The Vikings are coming
You'd better get ready for we're having a fight
The longboats are coming
It's looking like their? in the dead of the night Muster the men from all the villages
You'd better get ready to fight with your enemies Beacons are burning
I'm giving the word to get ready to fight
The battle is nearing
You'd better get ready to fight for your lives The Norsemen are coming
The Norsemen are coming
The warnings are given
The Norsemen are coming Raping and pillaging
Robbing and looting the land Viking raiders from afar
