Leave Me Alone

Sonic Syndicate

My dreams are always the same
This movie of you
It flickers in my brain
Over and over again
(Now)What is it I've got that triggers you to follow me day and night?
I can smell your scent all around
I don't know what your demons are telling you
But it ain't me you're looking forWhy?
(Why?)
Won't you leave me alone?
It drives me insaneWhy?
(Why?)
Why won't you just let me go?
Stay out of my wayI slept with the enemy, they stole all that I've got
Framed by lust I span out of control
I don't know what your demons are telling you
But it ain't me you're looking forWhy?
(Why?)
Won't you leave me alone?
It drives me insaneWhy?
(Why?)
Why won't you just let me go?
Stay out of my wayAnd I'm locked in the yesterdays
Of your cellular memories
But I'm cutting you out of the film to the floor
Let the light in as I walk out of the door
And you're goneWhy?
(Why?)
Won't you leave me alone?
It drives me insaneWhy?
(Why?)
Why won't you just let me go?
Stay out of my wayStay out of my way
