

Broken Arrows

Weezer

Broken Arrows Every hour, every day,
Since the dawn, far away,
It's a love canopy of dreams and broken arrows
And broken arrows.
And baby, don't you
Nooooooooo, no,
Get in the car just before we go,
We go, we go. Every hour, every day,
All that seems far away
It's the last chance to be with you and hear your heart ache.
And hear your heart ache.
And baby, don't you
Nooooooooo, no,
Get in the car just before we go,
We go, we go. And after all that we couldn't say, oh no,
We turned to you, and said, "Yesterday" oh no
We don't know why,
We stood and fight.
I give up, I give up. Baby don't, you
No, noooooooooo, no,
Get in the car,
Just before we go,
We go, we go. And after all that we couldn't say, oh no,
We turned to you, and said, "Yesterday" oh no
We don't know why,
We stood and fight.
I give up, I give up. Every day, every hour,
Every hour, every day.
