Love Injection

Bang Tango

I know why you're feeling so sad, yes
I see that tear in your eye
You look but you just can't have it
Well I know there's a reason whyI said come on baby take a flight with me
We're gonna travel across the world and the seven seas
I'll make it easy, if you wanna go
I'll tell you somethin' sister, what you need to knowIt's a love injection, that's my kinda drug
A love injection, and I'll do it for free
A love injection that's my kinda drug
A love injection well you know what I meanYour time has finally come
But your kiss it just blows by
You look but you still can't find him
I know there's a reason whyI said, come on baby take a chance on me
You gotta grab on to my belt
If you wanna break freeI'll tell you something easy
Yeah, here's how it goes
I'll tell you something sugar
What you need to knowIt's a love injection, that's my kinda drug
A love injection, and I'll do it for free
A love injection that's my kinda drug
A love injection well you know what I mean
