Hold Your Fire

Satellite Lot

I'm like a loaded gun I got you in my sight
And you're the only one I want to shoot tonight
Ready an' able the trigger to fire
Locked on target for my desire
Got you covered and there's nothin' that you can doBut say
Hold your fire
Hold your fireI'm speedin' like a bullet never miss my mark
With infrared eyes that can see in the dark
Actions semi automatic satisfaction the instant I hit
I got you covered and there's nothin' that you can doBut say
Hold your fire
Hold your fireHold your fire
Hold your fireHold your fire
Don't make me fire
Hold your fire
Only desire
Hold your fire
Your desireHold your fire
