

Hold Your Fire

Satellite Lot

I'm like a loaded gun I got you in my sight
And you're the only one I want to shoot tonight
 Ready an' able the trigger to fire
 Locked on target for my desire
Got you covered and there's nothin' that you can doBut say
 Hold your fire
Hold your fireI'm speedin' like a bullet never miss my mark
 With infrared eyes that can see in the dark
 Actions semi automatic satisfaction the instant I hit
I got you covered and there's nothin' that you can doBut say
 Hold your fire
 Hold your fireHold your fire
 Hold your fireHold your fire
 Don't make me fire
 Hold your fire
 Only desire
 Hold your fire
 Your desireHold your fire
