made it out the door before the phone rang made it out the door before the phone rang knowing the time ain't gonna get me there quicker knowing the time ain't gonna get me there quicker don't bother me, i'm havin' a good time don't bother me, i'm havin' a good time don't know myself but now my back against the wall don't know myself but now my back against the wall responsibility responsibility workin' double shifts and not getting any sleep workin' double shifts and not getting any sleep i finally found a day to spend on myself i finally found a day but someone bought my health had a little money in my pocket for a minute a little money in my pocket but it's gone my time is runnin' out and my chances are few it wouldn't look so easy if you only knew responsibility responsibility responsibility responsibility
