# hooky

## Greenhaus

I don't wanna go to school today
I wanna go outside and play
I don't wanna go to school today
I'll stay at home and masturbate
I don't wanna go to school today
The teachers always in my face
I don't wanna go to school today
I wanna punch the lunch lady
Hooky, hooky, hooky
Let's play some hooky today
Hooky, hooky, hooky
Let's play some hooky today
I don't wanna go to school today
The girls all making fun of me
I don't wanna go to school today
The bully took my lunch money
I don't wanna go to school today
What's the point, I can't get laid
I don't wanna go to school today
I never learned a goddamn thing
Hooky, hooky, hooky
Let's play some hooky today
Hooky, hooky, hooky
Let's play some hooky today
Hooky, hooky, hooky
Let's play some hooky
I don't wanna go to school today
I don't wanna go to school today
I don't wanna go to school today
I don't wanna go to school
Hooky, hooky, hooky
Let's play some hooky today
Hooky, hooky, hooky
Let's play some hooky today
Hooky, hooky, hooky
Let's play some hooky today
Hooky, hooky, hooky
Let's play some hooky
I don't wanna go to school today

I don't wanna go to school today
I don't wanna go to school today
I don't wanna go to school
