

# Angel Dressed In Black

Warren Zevon

Sitting on the sofa  
Suckin' a bowl of crack  
Thinkin' to myself about  
My angel dressed in black I know she went out hours ago  
I hope that she's coming back  
So I wait here patiently  
For my angel dressed in black I don't want to go out in the rain  
I don't want to go out in the rain  
I don't want to go out in the rain I wish she'd come home right now  
So we could interact  
I've got a big surprise for her  
My angel dressed in black My little angel  
She's the queen of Downtown  
She gets around town  
My angel dressed in black My little angel  
She's the queen of Downtown  
She gets around town  
My angel dressed in black I'm getting kind of paranoid  
I'm going off the track  
I'm starting to hallucinate  
My angel dressed in black She might have been arrested  
She might have been attacked  
She might be lying dead somewhere  
My angel dressed in black I don't want to go out in the rain  
I don't want to go out in the rain  
I don't want to go out in the rain Sofa  
Crack  
Thinkin' to myself about  
My angel dressed in black My little angel  
She's the queen of Downtown  
She gets around town  
My angel dressed in black My little angel  
She's the queen of Downtown  
She gets around town  
My angel dressed in black My little angel  
She's the queen of Downtown  
She gets around town  
My angel dressed in black My little angel  
She's the queen of Downtown

She gets around town  
My angel dressed in black
