Numbers

Basshunter

1, 3, 4, 5 We are nothing but numbers,
Calling you, Calling me.
2, 6, 7, 8 Am sorry but i'm running low, Got to go.
Wherever i am, I dont give a damn.
Any place, Any time.
Always you on my mind.
Life would be a delight, With you in my sight.
You to good to ignore, When you stand at my door.
1, 3, 4, 5 We are nothing but numbers,
Calling you, Calling me.
2, 6, 7, 8 Am sorry but i'm running low, Got to go.
[Instrumental]
In the bed, In the car, I know where you are.
On a boat, far away, I still hear what you say.
In the bed, In the car, I know where you are.
If you sleep on your own, i can tell we're not far.
1 3 4 5 We are nothing but numbers,
Calling you, Calling me.
2 6 7 8 Am sorry but am running low, Got to go.
We are nothing but numbers,
Calling you, Calling me.
2 6 7 8 Am sorry but i'm running low, Got to go.
[Instrumental]We are nothing but numbers.
