

You Gotta Stop

Elvis Presley & The Jordanaires

Baby, you've been lying to me
Now I'm onto you
It's the same old song
But it doesn't ring trueThat's right, you're wrong again
Time to change and put you on your own again
You've had your way too long
Time for me to be moving onYou gotta stop, you're wrong again
Stop that song againYou've been steppin' out wild and fancy free
Now you've had your fun and you're running back to me
It just can't be if there's no harmony
Then stop!
That's all let's break it up
You've had me fooled now I'm wakin' up
I see right through your lies
You made me open my eyesYou gotta stop, you're wrong again
Stop that song againIt's too late now I've made up my mind
Being here with you is just a waste of time
Nothing to say so I'll be on my way
Stop!You gotta stop, you're wrong again
Stop that song againIt's too late now I've made up my mind
Being here with you is just a waste of time
It just can't be if there's no harmony
Then stop!
Stop, you're wrong again
Stop that song again
Stop, you're wrong again
You gotta stop that song again
Stop!
