Blue

Flesh For Lulu

Love is walking and
Sometimes it crawls
Look at death and shes so ???
Another ocean
Another sky
If you come back you know the reason whyThe sea is your mirror
And love is your weakness
I know that your heart is full of tears
The god of dreams whispered to me
Why am I so afraid
When you say
I am walking
With my eyes in the air
And when im talking you make me swear
I'm so blue
I'm so blue
I'm so blue
Without youTemptation is coming any day
I hear them all say
No river is deeper than all of your love
Another ocean
And another sky
If you come back you know the reason why, whyThe sea is your mirror
And love is your weakness
I know that your heart is full of tears
The god of dreams whispered to me
Why am I so afraid
When you say
I am walking
With my eyes in the air
And when im talking you make me swear
I'm so blue
I'm so blue
I'm so blue
Without youI'm so blue
I'm so blue
Yeah im blue
Over you
