

# Been so Long

Gob

How I long to see your eyes  
Your eyes fill me up, I breathe them inside  
I have your image deep inside of me  
I hold your picture, it's a part of me  
It has been so long  
Without you there is no sun, just sky  
I'm a wound that's bone deep bled dry  
I have your image deep inside of me  
I hold your picture, it's a part of me
