Well I Lied

Robert Cray

I told you not to come around here anymore
I told you not to show your face at my door
Remember when I said that you were a bore
Remember when I told you I dont love you no more
Darlin', well I liedI saw you last night with some other guy
You called me up later with an alibi
I thought I tried to play that same game too
But the story that I told you, wasn't true
Darlin', well I liedMaybe some day you'll give me one more try
And maybe you'll forget the way I made you cry
But no matter what happens, even if we are through
I hope that you'll remember that my love is true
and darlin',
Darlin',
Oh, darlin',
Well I lied
