One Last Song

Sam Smith

Maybe one day I won't sing about you
I'll sing a song about someone new
But right here, right now, you are on my mind
And I think about you all the timeI'm sending a message to you
And I'm hoping that it will get throughWhen it was good, it was bittersweet, honey
You made me sad 'til I loved the shade of blue
I know you don't want to talk to me, so this is what I will do
Maybe you're listening, so here's one last song for you
Here's one last song for you
And I hope it makes you feel
And I hope it makes you burn
And I hope it reminds you of how much it hurtI'm sending a message to you
And I'm hoping that it will get throughWhen it was good, it was bittersweet, honey
You made me sad 'til I loved the shade of blue
I know you don't want to talk to me, so this is what I will do
Maybe you're listening, so here's one last song for youIn case you hear this, then know you're the love of my life
Want to tell you I'm sorry, I miss having you by my side
When you were mine
When it was good, it was bittersweet, honey
You made me sad 'til I loved the shade of blue
I know you don't want to talk to me, so this is what I will do
Maybe you're listening, so here's one last song for you
Here's one last song for you
