

It's Just The Way

[Bee Gees](#)

Just the way that I feel about tomorrow
I'll be sad and alone all the time
It's just the way that you said
You don't love me anymore than goodbye I can't believe what you're saying
You don't love me anymore, goodbye Just the way that I feel about tomorrow
Knowing you won't be there by my side
I wish that I could say to you
Well, can't we just be good friends? Would you leave the door open
Let me walk in again? That's the way I've been thinking 'bout tomorrow
I only know that friends can't be lovers again
