

Drowning By Numbers

Placebo

Open up your heart, let me slip inside
Such determination always tries to turn the tide
Open up your arms, let me dive into
The big, big blue Try losing this chromosome
It's my choosing, down to the bone Open up your heart, let me slip inside
Such imagination always helps the feeling slide
Open up your soul, falling back into
The big, big blue Try losing this chromosome
It's my choosing, down to the bone Blood, dive in
Blood, drowning
Blood, dive in Blood, dive in
Blood, drowning
Blood, dive in Open up your heart, let me slip inside
Auto-flagellation always helps the ghost to hide
Open up your arms, let me dive into
The big, big blue Try losing this chromosome
It's my choosing, down to the bone Blood, dive in
Blood, drowning
Blood, dive in Blood, dive in
Blood, drowning
Blood, dive in
