Rolls So Deep

Aqualung

I'm gonna teach myself to drive
Down the road on the other side
I'm gonna set myself alive
To put some fire in my soul
Could've told you a million lies
Given everything to compromise
But you could run for a million miles
And still have nowhere to go
It's like lightning in a clear blue sky
There's a storm but you keep it inside
It's like thunder when I look in your eyes
And it rolls, it rolls, it rolls so deep
You're gonna have to wait awhile
Tune it in on another dial
'Cause every time that you make me smile
Blood bursts out of a stone
And if I have to be myself again
Drown our tears in the pouring rain
It's the end of the holiday
And you don't wanna go home
It's like lightning in a clear blue sky
There's a storm but you keep it inside
It's like thunder when I look in your eyes
And it rolls, it rolls, it rolls so deep, yeah
It rolls, it rolls so deep
I wanna feel it everyday
I wanna feel it everyday, everyday, oh, ooh
It's like thunder when I look in your eyes and it rolls
It's like lightning in a clear blue sky
There's a storm but you keep it inside
It's like thunder when I look in your eyes
It's like thunder when I look in your eyes
And it rolls so deep, yeah, it rolls, it rolls so deep, yeah
It rolls, it rolls so deep
It's like lighting in a clear blue sky
There's a storm but you keep it inside
It's like thunder when I look in your eyes
It's like thunder when I look in your eyes
It's like thunder when I look in your eyes
