So Little Time

Arkarna

Oh, ohTook a while to drag me out of bed
Aim some coffee at my head
Saw the clock, I'm running late
It's an ordinary dayAnd I'm like a dog on heat
Knock one out and then fall asleep
It's sad but true
I'd rather be with youDon't you forget about me
When you're a celebrity
It will be only you and me
Before too longSo little time, so much to do
I rather spend my days with you
So little time, so much to do
I'd like to spend one day with youAnd if that day is not enough
Maybe we can stay in touch
But I'm not making plans for tomorrow
For tomorrow never comesFor tomorrow, ohSaid, I've been celibate for years
Not out of choice, there's no one here
See I can't give my end away
Another ordinary dayAnd I've love to see a little more of you
You're clothes would look better on my bedroom floor
Bedroom floor, bedroom floorDon't you forget about me
When you're a celebrity
I know you're busy
But we all need somebody before too longSo little time, so much to do
I rather spend my days with you
So little time, so much to do
I'd like to spend one day with youAnd if that day is not enough
Maybe we can stay in touch
But I'm not making plans for tomorrow
For tomorrow never comesOh, ohNever comes
Never comes
For tomorrow
Never comes
