

# Other People

## Beach House

(birds)

So you thought would happen  
Good love goodbye  
I know where no one can reach you  
No I don't mind  
it's your world, why would you fake it  
These days go by  
As you turn around  
Other people want to keep in touch  
Something happens and it's not enough  
Never thought that it would mean so much  
Other people want to keep in touch

Heaven won't keep us together  
Right place at the wrong time  
It takes all kinds of weather  
Distant new skies  
Somewhere nothing can reach us  
These days go by  
As you turn around  
Other people want to keep in touch  
Something happens and it's not enough  
Never thought that it would mean so much  
Other people want to keep I touch  
Was it ever quite enough? x5
