Sidewalk Serfer Girl

Super Furry Animals

Patty Whitebull fell asleep for fifteen minutes
Then unexpectedly she woke to joy and tears
She ordered pizza and then asked about her kids
They're all grown up now on the reservation gridSidewalk serfer girl
I'd do anything to catch you falling
Sidewalk serfer girl
I'd do anything to be with you sometimesSince Patty left the scene, things have grown so extreme
Sidewalk serfer girls searching for a dream
Paraglide through space die your bungee best
Set yourself alight whilst famine kills the restSidewalk serfer girl
I'd do anything to catch you falling
Sidewalk serfer girl
I'd do anything to be with you sometimes, oh
Sometimes, oh, sometimes, ohWhen Patty's aunts don't know the uncles will have fun
She pulls the streets at night she left home on the run, swell
She never talks to me 'cause I'm a major yawn, excuse me
Return the difference don't retake me, I'm no pawnSidewalk serfer girl
I'd do anything to catch you falling, I'd do anything
Sidewalk serfer girl
I'd do anything to catch you falling, I'd do anythingSidewalk serfer girl
I'd do anything to catch you falling
Sidewalk serfer girl
I'd do anything to catch you fallingI dream of sidewalk serfer girl
