

# I Get It In (Mars3ll Remix)

## 50 Cent

Yeah, na, na, na, na  
Yeah, na, na, na, naNow me, I'm the life of the party  
A little bit of juice, little bit of the gin  
A little bit of Moet, bottles of the Rose  
Feel a little buzz then I'm gettin' it in  
Now me, I get it in, I get it in  
Me, I get it in, I get it in  
Now me, I get it in, I get it in  
Me, I get it in, I get it inLook as soon as I step in the club  
I swear, my nigga, you can feel the attention shift  
Started around twelve, ended up around two  
I better leave with more hoes than I came here withI can't be responsible for what I say  
Or I do when I talk intoxicated  
Shorty say I told her I love her  
I put her out the next mornin'  
Sayin' bitch I must have been fadedI don't know what you heard about me  
But the word about me is that I'm no trick  
I'm no sucker, I'm no chump  
I be in the VIP with my niggaz 'round me  
Sayin' y'all can have whatever you wantMe, I get it in, Sunday, Monday, Tuesday  
Wednesday, Thursday, Friday, Saturday  
That's Sunday, Monday, Tuesday  
Wednesday, Thursday, Friday we get it inI need a drink, give me a drink  
I need a drink, shorty, give me a drink  
I need a drink, give me a drink  
I need a drink, shorty, give me a drinkI hate to say I told you so  
But I told you so, I go hard when it's time to play  
Shorty get to droppin' it low  
Like the dancers do in the Go Go in front of meShe know I like to see her dance  
She get to breakin' it down, we get the bouncin' outta control  
Because I got a hell of a flow  
We got paper to blow my whole clique pop bottles galoreIt's no secret the hood done peeped it  
When we come through, son, we look like bread  
My '89 grind make my old nine shine  
Like we been movin' bricks 'round this bitch for yearsI say, I get it in it's because I get it in  
Now shorty there a eight but her friend near a ten  
I finna spend my G, she fuck with me, I'm in to win  
I'm cooler than her ma, then we do this shit againMe, I get it in Sunday, Monday, Tuesday  
Wednesday, Thursday, Friday, Saturday

That's Sunday, Monday, Tuesday  
Wednesday, Thursday, Friday we get it in  
I need a drink, shorty, give me a drink  
I need a drink, give me a drink  
I need a drink, shorty, give me a drink  
Na, na, na, na, now me, I'm the life of the party  
A little bit of juice, little bit of the gin  
A little bit of Moet, bottles of the Rose  
Feel a little buzz then I'm gettin' it in  
Now me, I get it in, I get it in  
Me, I get it in, I get it in  
Now me, I get it in, I get it in  
Me, I get it in, I get it in
