

# How Can I Meet Her?

## The Everly Brothers

She's the prettiest girl in town and she sure knows it  
The way she walks and the way she talks sure shows it  
I hate that stuck-up so-and-so  
But there's one thing I gotta know  
Where's she live, what's her number and how can I meet her? She comes on like she's so high-class and well-bred  
But I never saw a girl with such a swelled head  
She's got herself a mighty long wait  
If she thinks I'll ask her for a date  
But where 's she live, what's her number and how can I meet her? She's in love with herself - you know the kind  
Always puttin' on airs The guys in town all think she's the Mona Lisa  
And she's got 'em all goin' out of their way to please her  
Whatever they see's a mystery  
Cos she don't do a thing for me  
But where 's she live, what's her number and how can I meet her?  
How can I meet her? How can I meet her?
