# Mouth

## Closedown

It's been a long time coming
Haven't shook ya for days
I bite my tongue but I'm sick of the way
I gotta couple of keys I need you to play
It's so good to know you
I can't wait to show you

My, my, my love
Da da da da da da da da
The feeling I get
The feeling I get alot
Da da da da da da da da
Get under my skin
Come touch this

Mouth, mouth, mouth
This mouth, mouth, mouth
My mouth, mouth, mouth
This mouth, mouth, mouth, my

It's been a long time coming, we still haven't yet
Be my prince and I'll be your corvette
The door's wide open, so let yourself in
Come in, come in, oh come in
It's so good to know you
I can't wait to show you

My, my, my love
Da da da da da da da da
The feeling I get
The feeling I get alot
Da da da da da da da da
You're under my skin
Come and touch this

Mouth, mouth, mouth
This mouth, mouth, mouth
My mouth, mouth, mouth
This mouth, mouth, mouth

My, my, my

Ah, let's keep it messy
Ah, the way you impress me
It's so good to know you
I can't wait to show you

My, my, my love
Da da da da da da da da
The feeling I get
The feeling I get alot
Da da da da da da da da
You're under my skin
Come and touch this

Mouth, mouth, mouth
This mouth, mouth, mouth
My mouth, mouth, mouth
This mouth, mouth, mouth

My mouth, mouth, mouth
My mouth, mouth, mouth
My mouth, mouth, mouth
This mouth, mouth, mouth
