

Ice Cream

Borgore

All these bitches wanna lick my ice cream
I'm telling you, son, I'm living your dream
These bitches, they just dig my blue fucking eyes
(Oh my god)
I save the best for last - surprise

All these bitches wanna lick my ice cream
I'm telling you, son, I'm living your dream
All I wanna do is to lick your ice cream
Please, give us girls a little something that will make us scream
When I was a bachelor even hoes would turn me down
Honey you ain't funny but you acting like a clown
My dog walked around with a diaper just incase
I would be desperate enough to try and fuck him in the ass
But now that I have a girlfriend, all these bitches want me bed
They call me the ice cream man (and damn, your ice cream is nice)
I serve it on a cone with two giant balls
And you swallow it even if it comes up your nose
Yum yum

Oh my
Oh my
Oh my god
[x2]

Please, please
Lick lick, lick lick
Ice cream
Lick lick, lick
Oh my god
Oh
Lick, lick lick
Oh lick, lick

(Ice cream) [x8]
