

More Than the Watchmen

[Rebecca St. James](#)

Out of the depths of my despair
Oh I cry Father hear my voice
Open Your ears to hear my mercy cry And if You kept a book of sin
Oh Father, who'd be standing?
But in Your goodness there is mercy & forgiveness CHORUS:
More than the watchmen wait for morning
My soul it waits for You
More than the watchmen wait for morning More than the watchmen wait for morning
My soul it waits for You
More than the watchmen wait for morning Out of the depths of my despair
Oh I cry Father hear my voice
Open Your ears to hear my mercy cry And if You kept a book of sin
Oh Father, who'd be standing?
But in Your goodness there is mercy & forgiveness CHORUS
