Restart

Sam Smith

It was a Monday night when you told me it was over babe
It was a Friday night, I knew that I would be okay
Don't say it was a good thing
Don't say it was the right thing to do
Don't say it was the best thing for the both of us
When I'm the one playing the foolWhat do you want from me when I just wanna restart
You keep coming back for me when you're the one who tore us apart
And the truth is I'm better on my own
And I'm the one to leave it apart
So let me restartYou've been lightin' up my phone
Worried that I'll be alone tonight
Wanna make sure that I'm fine
But baby you're not on my mind, no more
I know it was the best thing for the both of us
Cause you're the one who looks like a foolWhat do you want from me when I just wanna restart
You keep coming back for me when you're the one who tore us apart
And the truth is I'm better on my own
And I'm the one to leave it apart
So let me restart
