Break Ya Back

Avant

This is so amazin', got my heart racin'
The way it goes down, I'm not afraid to say you can take charge
Got my eyes in the back of my head while I'm seein' starsIt sounds like you're ready girl for daddy girl
We don't have to prolong, in fact we can get a track
And do it to the sound of a hand clapLet me handle that, ooh just how you like it babe
I can give you what you lack, don't take it in a negative way
Baby it's a fact when we get up in the sack
I'm gonna break ya back in a good wayStop then we start again
I can hear ya moanin' and wer'e not alone yes
I can see our shadows on the wall movin' gracefullyThere's people in the other room but I don't really give a damn baby
I've been really missin' you and I am sick and tired of waitin'
Forever whenever baby, I am definitely ready
We can role play and make it a gameLet me handle that, ooh just how you like it babe
I can give you what you lack, don't take it in a negative way
Baby it's a fact, when we get up in the sack
I'm gonna break ya back in a good wayLet me handle that, ooh just how you like it babe
I can give you what you lack, I've been thinkin' about it all day
Baby it's a fact when we get up in the sack
I'm gonna break ya back in a good wayBaby ring the alarm, we about to get it on
I'll do whatever that it takes just to keep you satisfied
We don't have to worry about a thing 'cause we're goin' all nightLet me handle that, ooh just how you like it baby
I can give you what you lack, don't take it in a negative way
Baby it's a fact when we get up in the sack
I'm gonna break ya back in a good wayLet me handle that, ooh just how you like it baby
I can give you what you lack, girl you better believe
Baby it's a fact when we get up in the sack
I'm gonna break ya backLet me handle that, ooh just how you like it baby
I can give you what you lack, don't take it in a different way
Baby it's a fact when we get up in the sack
I'm gonna break ya back in a good wayWe'll be makin' love, we'll be makin' love
We'll be makin' love, lovin' ya baby
We'll be makin' love, lovin' ya baby
We'll be makin' love, lovin' ya baby
We'll be makin' love, lovin' ya baby
