# Bless The Weather

## John Martyn

Time after time, I held it just to watch it die
Line after line, I loved it just to watch it cryBless the weather that brought you to me
Curse the storm that takes you away
Bless the weather that brought you to me
Curse the storm that takes you homeWave after wave, I washed it just to watch it turn
Day after day, I cooled it just to watch it burnBless the weather that brought you to me
Curse the storm that takes you home
Bless the weather that brought you to me
Curse the storm that takes you awayPain after pain, I stood it just to see how it feels
Rain after rain, I stood it just to make it realBless the weather that brought you to me
Curse the day you go away
Bless the weather that brought you to me
Curse the storm that takes you awayTime after time, I held it just to watch it die
Line after line, I loved it just to watch it cryBless the weather that brought you to me
Curse the storm that takes you away
Bless the weather that brought you to me
Curse the storm that takes you away
