

# VeterÁin

## KÁ;rpÁ;itia

The world gets smaller [world gets smaller]  
My heart beats bigger the world gets smaller [world gets smaller]  
You might be bigger but I'm much smarter [much smarter]  
My heart beats bigger the world gets smaller [world gets smaller]  
What don't kill you lets you live  
To remember what it did  
I'm a bit relieved you're still the same  
'Cause there's no illusion you've changed  
Now, it's all over  
I see now, I'm a veteran of things I don't want to be  
And the more I learn, the less I know  
And the deeper it feels, the less it shows  
There was a time and a day when  
I didn't think I would be here  
  
But now, it's all over  
I see now, i'm a veteran of things I don't want to be  
I've been down, and it's over  
'Cause I see now, I'm a veteran of things I don't want to be  
The world gets smaller [world gets smaller]  
My heart beats bigger the world gets smaller [world gets smaller]  
You might be bigger but I'm much smarter [much smarter]  
My heart beats bigger the world gets smaller [world gets smaller]  
Now that it's over  
I see now, I'm a veteran of things I don't want to be  
Get down, and it's over  
'Cause I see now, I'm a veteran of things I don't want to be  
I don't want to be
