ALL A DREAM

G.C.B

And we finally awake
And walkin' to the sunny day
I can see it in your face
That everything will be okay
'Cause you never hurt
Someone who wants to learn
To be your slave

And the night is also clear
The clouds will never reappear
But the moon is out of place
And all the trees are lookin' strange
And feelin' no warmth
of your breath against my skin
Now I hope this isn't only just a dream
So we run into a church
The people all look the same
And the sun is in my eyes

I'm tryin' hard to scream your name
My stomach starts to churn
And the curtains in the wind begin to burn
And now I know it's all a dream
Enemy sleeps with me night or day
Enemy teases every minute in my mind
He's in my mind
Enemy throws all my money away
Enemy knows how to make me always pay
I always pay
Enemy lies on cross my mind
Enemy talks, talking it's so nice and kind
So nice and kind
And how long does it take
To fight off this weakness
And tell him to guard me
'Cause God knows I'm sorry
Mmmm...
Oooo...
