

# Memphis Soul Song

## Uncle Kracker

Lookin' back on everything and all the things that stay  
I can count on memories 'cuz they don't go away  
Good times were hard to hold until she came along  
She moves me like a Memphis soul song I'm not always there I know but she don't mind at all  
As pretty as a picture that hangs on my own wall  
She's like Mississippi when the sun comes up at dawn  
She moves me like a Memphis soul song With an angel on my left side and the devil on my right  
She's the one who saves me from them dark unholy nights  
Of all the ones who've left me it's a wonder she's not gone  
She moves me like a Memphis soul song  
She moves me like a Memphis soul song She don't care what the game is, she's always down to play  
My world without her seems a million miles away  
She don't have to worry, I know where I belong  
She moves me like a Memphis soul song I've been dealt some aces and I've played them all the same  
But she's the only one that keeps me in the game  
No fame or fortune could ever keep me gone  
She moves me like a Memphis soul song With an angel on my left side and the devil on my right  
She's the one who saves me from them dark unholy nights  
Of all the ones who've left me it's a wonder she's not gone  
She moves me like a Memphis soul song There's a magic down in Memphis that never seems to fade  
Even now them voices carry like a lonely serenade  
It's the memories that still and always will be on my mind  
They move me every time She sees the good in everything there is to see  
Sometimes I wonder what she ever see's in me  
I'm not always right you know but she's never led me wrong  
She moves me like a Memphis soul song In all my travels I've never found a way  
To find the words that say the things I'd like to say  
I've sang some melodies but she's my favorite one  
She moves me like a Memphis soul song With an angel on my left side and the devil on my right  
She's the one who saves me from them dark unholy nights  
Of all the ones who've left me it's a wonder she's not gone  
She moves me like a Memphis soul song  
She moves me like a Memphis soul song
