Whispers In The Dark

U.D.O.

You hold your truth so purely
And swerve not through the minds of men
This lie is dead
And this cup of yours tastes holy
But a brush with the devil can clear your mind and strengthen your spine
But fingers tap into what you were once
And I'm worried that I blew my only chance
Whispers in the dark
Steal a kiss and you'll break your heart
Pick up your clothes and curl your toes
Learn your lesson, lead me home
Spare my sins for the ark, I was too slow to depart
I'm a cad but I'm not a fraud, I'd set out to serve the Lord

But my heart was colder when you'd gone
And I lost my head but found the one that I love
Under the sun, under the sun
But fingers tap into what you were once
And I'm worried that I blew my only chance
Fingers tap into what you were once
And I'm worried that I blew my only chance!
(Woo!)
Instrumental break
But my heart was colder when you'd gone
And I lost my head; let's live while we are young
While we are young
While we are young
While we are young
