Fast Love

re:lounge

Gotta get up, to get down
Gotta get up, to get down
Gotta get up, to get downLooking for some education
I made my way into the night
All that bullshit conversation
Baby can't you read the signs?I won't bore you with the detail baby
I don't even want to waste your time
Let's just say that maybe
You could help to ease my mind
Baby, I ain't Mr. RightBut if you're looking for fast love
Fast love in your eyes
It's more than enough
Had some bad love
Some fast love is all that I've got on my mindOoh baby
What's there to think about baby?
Hey baby, oh yeahLooking for some affirmation
I made my way into the sun
My friends got their ladies
They're all having babies
I just wannna have some funI won't bore you with the detail baby
I gotta get there in your own sweet time
Let's just say that maybe
You could help to ease my mind
Baby, I ain't Mr. RightBut if you're looking for fast love
Fast love in your eyes
It's more than enough
Had some bad love
Some fast love is all that I've got on my mindOoh baby
What's there to think about baby?
Hey baby, oh yeahSo close
I can taste it now baby
So closeIn the absence of security
I made my way into the night
Stupid cupid keeps on calling me
And I see nothing in his eyes
I miss my baby, oh yeah
I miss my baby tonightSo why don't we make a little room
In my BMW, babe
Searching for some peace of mind

Hey, I'll help you find it
I do believe that we are practicing the same religionOh, you really oughta get up now
That's right, that's right
You really ought to get upGotta get up, to get down
Gotta get up, to get down
Gotta get up, to get downLooking for some affirmation, affirmationGotta get up, to get down
Gotta get up, to get down
Gotta get up, to get down
