Anywhere, Anytime

Bellefire

[Cathy:]
There's no use in playing it cool
Hiding the feelings I'm feeling for you
Cos when you're near gets harder to breath
And if this is love can't get enough you see[Ciara:]
And I don't care what they say I should do
Cos I know when it comes down to you[All:]
I would go anywhere, anytime baby say the word
To prove that this heart of mine is yours
No matter what it takes I'll see it through do anything to get to you
Anywhere, anytime
(Anywhere, anytime)[Kelly:]
There's no use in trying to resist
I knew I was lost when I tasted your kiss
And I can feel my heart racing like a shooting star
Across the sky at the speed of light to get to you[Ciara:]
And I don't know where it's leading me to
But I know when it comes down to you[All:]
I would go anywhere, anytime baby say the word
To prove that this heart of mine is yours
No matter what it takes I'll see it through do anything to get to you
Anywhere, anytime
(Anywhere, anytime)[All:]
You're always in my heart
However near or far
I'll get to where you are
Anytime, Anywhere
(Anywhere, anytime)[All:]
I would go anywhere, anytime baby say the word
To prove that this heart of mine is yours
No matter what it takes I'll see it thru do anything to get to you
Anywhere, anytime
(Anywhere, anytime)
I would go anywhere, anytime baby say the word
To prove that this heart of mine is yours
No matter what it takes I'll see it thru do anything to get to you
Anywhere, anytime
(Anywhere, anytime)[All:]
You're always in my heart

However near or far
I'll get to where you are
Anytime, Anywhere
(Anywhere, anytime)
