Relentless

New Years Day

They deem me powerless and weak right from the start
Their targets aimed at me
These cowards leave their mark
Unforgetting, unforgiving
Taking every little shot
But I'm too strong and I won't fall
Gimme everything you got
Tear me down, it won't build you up
Never gonna stop
Won't quit till I'm not breathing
Chase me all you want
It won't be enough
Never gonna stop
Even if these wounds keep bleeding
I'm not giving up
It won't be enough
They are fixated on bringing down my name
The grudges that you hold have no effect on me
Under pressure, out of options
And I'm up against the odds
But I'm too strong and I won't fall
Gimme everything you got
Tear me down, it won't build you up
Never gonna stop
Won't quit till I'm not breathing
Chase me all you want
It won't be enough
Never gonna stop
Even if these wounds keep bleeding
I'm not giving up
It won't be enough
Fought for everything I have
I've come too far, no looking back
You'd have to kill me to defeat me
And as badly as you want to
You won't get that chance
You won't tear me down
You won't tear me down
Never gonna stop

Won't quit till I'm not breathing
Chase me all you want
It won't be enough
Never gonna stop
Even if these wounds keep bleeding
I'm not giving up
It won't be enough
It won't be enough
It won't be enough
